

Spa and Massage Service

Partnering with Manori Spa for a quality spa experience

Our villa offers guests "in-villa" Spa treatments provided by the Manori Spa's professionally trained staff. The body treatment programs provide therapeutic, relaxing and rejuvenating experiences using natural products to enhance well being and reduce stress.

The Manori Spa offers our guests a choice of aromatic massage fragrances:

- harmonizing and balancing lavender
- refreshing, stimulating lemon and orange
- or relaxing, soothing ylang ylang flower oils

Aromatherapy Therapeutic Massages

Traditional Oriental - Full Body

Our signature massage. Our own rejuvenating and stimulating blend of techniques combine long massage strokes, deep stimulation on muscles and joints along with great stretching (Shiatsu, Swedish, Thai, Reflexology)

Tension Relief

Sitting long hours on planes or over a desk, improper posture have inspired these highly beneficial techniques. Our therapists are trained to relieve tension and stress in specific parts of the body. Foot reflexology will also stimulate the body's recuperative power. Choose from:

- Neck, shoulders, upper back
- Lower back
- Full back

-  60 minutes
-  90 minutes

Foot Reflexology Discovery

Tonifying and balancing. Acupressure, deep strokes and drainage will make your feet and full body feel entirely new. Start with, lavender, peppermint, flower petals foot wash for **60 minutes**.

Our **90 minutes** treatment starts with a luxurious aromatic and mineral salts foot bath while our staff massage your neck and shoulders.

Pregnancy Massage Will make you feel lighter again. (60 minutes only)

Four Hands Massage

A new signature massage. A marvelous choreography performed by two therapist working in perfect harmony produces an unforgettable journey. Swedish, Lomi-lomi, Myofascial Stretching, Percussion and Rocking are used in this technique.

🕒 60 minutes

🕒 90 minutes

Body Mask/Wrap (Masque Corporel)

All treatments begin with a traditional relaxing massage to improve body metabolism. The body is wrapped with a thermolactic film increasing heat stimulation as well as facilitating ingredients absorption into the body's pores to relieve stress. A warm aromatic tropical flower bath completes the experience
